

Serve all your customers' needs with MultiPay

MultiPay is our market-leading omnichannel payments solution that provides digital payments capabilities across multiple channels, including over the counter.

Choose the channels that work for your business and your customers:

App: tailored to your brand, providing the slick payment experience today's mobile users have come to expect

Online: fully-hosted payment portal, branded with your logo and corporate identity. Our API enables you to integrate into your existing user journey

Direct Debit: we provide a full Direct Debit capability, offering flexibility and choice

Cash in-store: our unrivalled network of over 28,000 retailers means your customers are always around the corner from a PayPoint store

Text: provide your customers with the quickest and easiest way to make repeat payments

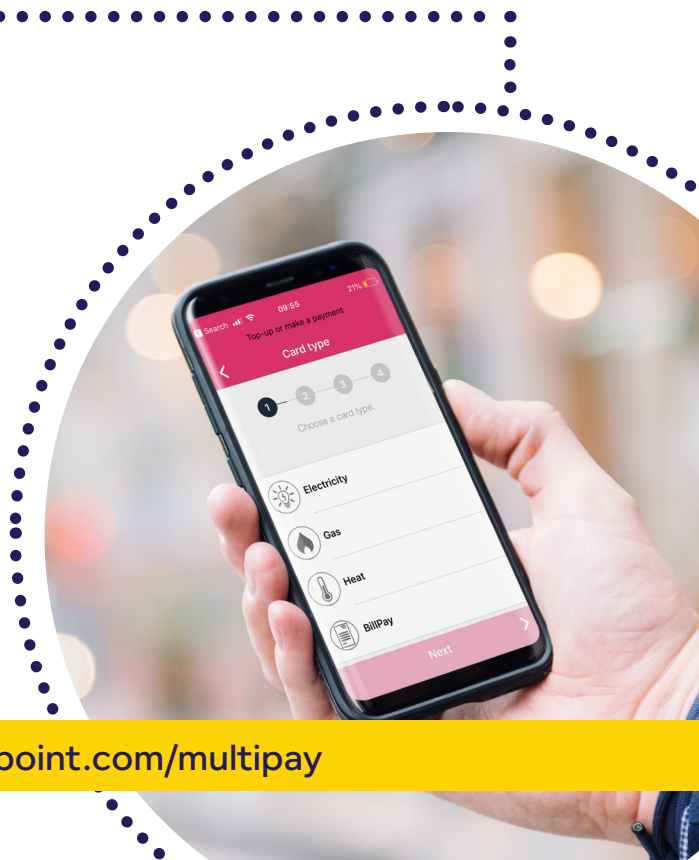

Phone/IVR: offer your customers a phone/IVR payment service without the need for additional customer service resources

CashOut: instant refunds, rebates and emergency payments. It's a simple, secure and cost-effective way to issue payments or credit to your customers

Why is MultiPay different?

- Single supplier - **one stop shop** for all digital payments
- Single view of all payment channels for **one point of truth**
- Benefit from our **extensive experience** in payments
- Payment channels are **quick to set up**
- **Easy** to integrate
- Vibrant roadmap with new features being **added regularly**
